Rambling's from the Road ...

So much is happening so fast it is hard to keep the membership updated ... get to a meeting. As of today there are now 22 Senators signed on as co sponsors to the bill ... This is huge these are the senators we generally do not have to worry about flip-flopping. You all should know in order to beat a filibuster we need 33. We have more senators on our side but as of yet not the 33 required ... I will keep the Board posted for calls to action but at this time it is looking good.

Lobby day came and went this week followed up by our committee hearing testimony. I hope some of you got a chance to watch it on line. I believe it went very well. We did not overburden them with too much but touched on all the topics we needed to counter the opposition.

Senator Geist can call an executive session and vote it out of committee at any time ... it is possible by the time you get this it will have already been done. I know she won't till the vote count is there ... needing 5 senators to vote us out with currently only 3 for sure. I ask patience. We are moving at an unbelievable pace it is only Day 17 of the 90 day session ... and we have been heard in committee, achieved 22 co sponsors with more friends on the way ...

I am impressed there has been very little news and it concerns me a bit on what the opposition is doing ... if anything. Time will tell hang in there trust your leaders ...

"keep the shiny side up!"

Caleb's Corner

January 10th 2023

Hey All,

We have a lot of exciting stuff going on with Abate right now! We have Lobby Day, chili Feeds, food drives, bike shows, district meetings, state meetings.... You're probably home being bored dreaming about riding your bike. When is the last time you've been to an abate meeting? Are you bored with your own district's meetings? Go to a different district and check out their meeting. Get to another states district meeting. Get out make friends and talk about motorcycles. You just might feel better and make someone else's day as well. I've been involved with Abate for 15 years. Most of my

best friends I've met through Abate. Get out and get to a meeting see what's going on. We've Got LB91 to follow through the legislative process. This is exciting. There are a lot of us that think this bill has a real chance. Lobby Day will have already happened by the time you read this so there might even be pictures of those that attended in this issue. Did you miss out? You can still help! Get to a meeting! D15 has some officer positions open if you want to step up! We have positions open at the State Level as well. If you see me at one of these upcoming events, tell me you liked my article, and I just might buy you a beer.

Until next Time
Caleb Bierman D15

Assistant State Coordinator

We have a current opening for Assistant State Coordinator—Position can be as involved as you have time for. We need help and the more hands the better. Ideally this person needs to be willing to visit other Districts, visiting with members (not just Board members) and reporting back to the state on the concerns that not everyone talks about in meetings. No experience necessary, just a desire to learn and listen. I need officers with their own minds and ideas willing to talk them through, whether or not there are differences of opinion. Working together to find common ground will bring a better organization for everyone. I do not plan to do this job forever and it's about time someone learned what is all involved ... If interested contact me anytime, leave a message, I will get back with you—Rogue

State Legislative Officer

Well since my last article, there has been an abundance of activity on the legislative side of things. LB 91 was introduced on the second day of bill introduction to modify motorcycle helmet provisions. Lobby Day will have been held at the Capitol. (I hope you were able to meet with your senators and had positive meetings. The day after Lobby Day, the transportation committee hearing was held on our bill. At this time, there is no way of knowing what the outcome of the hearing will be. That's why all of us need to have a good working relationship with our duly elected representatives. By the time this goes to print we will know how the committee stands and what we need to do going forward. Have we done enough to get over the top? Time will tell. I'll let you know next time.

February is here! You know what that means. Time to get those bikes registered and spit-shined for the Bike Show! As always, we could use a few more bikes and I'm sure if you have some time you can volunteer we can put you to work. The two necessary ingredients for a successful show are bikes and people. you have those, the rest is gravy.

Thanks to all of you who made it the BOD, Lobby Day and the committee hearings this month. I can't tell you how it will turn out, but I can tell you, we are as close as we've been since I have been active. There is lots to be optimistic about going forward. Our next meeting will be held on February 8th at 7pm in the First Avenue Social Hall in Lincoln. Come out and help us dot the t's and cross the i's to help make this year's show go off without a hitch. Until then...

So there I was; blasting down the road 1st day of the year. Refreshing. Didn't get a lot of riding in as it was mid 30's by the time I got around to riding. Snow melting & running across the road kinda cut it short. I didn't want to chance it freezing up before I was able to get back home. It was a great way to start the year off, may there be many more miles.

A great crowd of 38 gathered for Dist. 12 Christmas party that kicked off at the Eagles in Imperial. Many traveling a fair distance, so glad everyone made the journey. Had a meeting & some social time before enjoying supper with the family. Poker run & Dirty Santa games were followed up by more social time, into the wee hours of the morning for some.

LB91 introduced early in January. Check it out nebraskalegislature.gov as we Move Forward

RIGHT TO RIDE

SHARE THE ROAD is a motorcycle awareness program that promotes driver awareness and increases understanding of how motorcycles behave in traffic. ABATE of Nebraska, Inc. provides trained volunteers to present this program to the public. We believe that education and training are the best ways to prevent, and thereby reduce, motorcycle/automobile accidents.

Research shows that three fourths of crashes involving a motorcycle also involves another motor vehicle, which is usually at fault. Considering crash statistics and the increasing number of motorcyclists, the key to a safer riding mix is learning to SHARE THE ROAD.

Motorcycles are very different from automobiles - they are much smaller in size & are harder to see than automobiles. The failure of motorists to see motorcyclists in traffic is the most common cause of crashes. Car drivers who are involved in an accident with a motorcycle often do not see the motorcycle prior to the accident, or until it is too late to avoid having the accident.

The greatest risk area for a conflict between a motorcycle and a automobile is at an intersection...whether it is in the middle of an urban area, a driveway on a residential street, or anywhere where traffic may cross your path of travel. Over one half of motorcycle/car accidents are caused by drivers entering a rider's right-of-way. Cars that turn left in front of motorcyclists, including cars turning left from the lane to the right, and cars on side streets that pull into the motorcyclists lane are the biggest dangers.

The fact remains.....the best way to prevent any accident is through Education, Safety, and Motorcycle Awareness Programs like SHARE THE ROAD.

What is ABATE?

ABATE stands for "American Bikers Aiming Towards Education".

ABATE of Nebraska, Inc. works for you, the motorcycle enthusiast.

ABATE is a rights organization consisting of motorcycle enthusiasts throughout the State of Nebraska. Our goals and purposes are to encourage favorable legislation for motorcyclists. These are accomplished through a monthly newsletter, a website, promotion of safety education programs (designed to help prevent fatal and personal injury accidents), lobbying at the State Legislature and voter registration programs.

A great many restrictive laws pertaining to motorcycles and riders have been enacted by uninformed or misdirected legislative bodies. ABATE of Nebraska, Inc.'s goal is to keep our legislature informed of our feelings as motorcyclists, about such proposed legislation. Preventing unfair legislation is much easier than struggling to get an unfair law repealed. ABATE of Nebraska, Inc. also works with motorcycle rights organizations across the county to stop unfair legislation aimed at motorcyclists.

ABATE of Nebraska, Inc. does not advocate that you ride without a helmet, but we feel that as a responsible adult, you should have the right to decide whether or not to wear one.

ABATE of Nebraska, Inc. provides the neutral ground which allows us to stand beside and support each other in unity, with respect to safeguarding our rights and to be individuals with different views. A concept that we are united with a common interest and now a common ground on which to stand.

RIDING FREE!

Who is ABATE and Why Join?

ABATE of Nebraska, Inc. members are motorcyclists who share the same ideas about freedom of the road, a free lifestyle and have a strong desire to keep it that way.

But ANY motorcyclist who cares enough about his or her personal freedom should join. Any motorcyclist who does not become involved is guilty of complacency, which can be deadly in this day and age. The motorcyclist who does not become involved then loses his or her right to complain when laws are passed that are an infringement on their personal freedoms.

The 'RIGHT TO RIDE' is a publication of ABATE of Nebraska, Inc. that is available on our website to all active members. It contains legislative and other motorcycle related news as well as a calendar of events.

The ABATE of Nebraska, Inc. website (www.abateofne.com) is a FREE online source for ANYONE, regardless of membership.

When you join ABATE of Nebraska, Inc. you have the distinction of working with and being a member of the primary biker rights group in the state.

ABATE also offers an Accidental Life Insurance Policy of \$2000 free of charge as an active member.

Most insurance companies also give discounts for being a member of ABATE and also give an added discount for completing our 'Share the Road' program.

So, join ABATE of Nebraska, Inc. today and become involved. Together our voices mean something and have the weight and strength of numbers.

REMEMBER - United we stand, divided we fall.
